

## **TITLE 16. Medical Board of California**

NOTICE IS HEREBY GIVEN that the Medical Board of California (hereinafter referred to as the "Board") is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments orally or in writing relevant to the action proposed at a hearing to be held at Long Beach Memorial Hospital Miller Children's Hospital, 2801 Atlantic Avenue, Long Beach, California 90806, at 9:00 a.m., November 5, 2010. Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Board at its office not later than 5:00 p.m. on October 25, 2010 or must be received at the hearing. The Board, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

Authority and Reference: Pursuant to the authority vested by Section 2018 of the Business and Professions Code, and to implement, interpret or make specific Sections 2088 and 2441 of said Code, the Board is considering changes to Division 13 of Title 16 of the California Code of Regulations as follows:

### **INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

Adopt Sections 1315.50, 1315.53, and 1315.55 in Article 4.5 in Chapter 1 of Division 13 of Title 16, Cal. Code Regs, relating to the Limited Practice License.

The Limited Practice License does not exist in current regulation.

This proposal sets forth the requirements and criteria for the limited practice license. Legislation, AB 501, effective January 1, 2010, authorizes the Licensing Program to issue a limited practice license to an applicant for licensure who is otherwise eligible for a medical license in California but is unable to practice all aspects of medicine safely due to a disability. Parallel language was also prepared to ensure the limited practice license issuance criteria is consistent with the criteria for the current disabled status.

### **FISCAL IMPACT ESTIMATES**

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None

Nondiscretionary Costs/Savings to Local Agencies: None

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Section 17500-17630 Require Reimbursement: None

Business Impact: The Board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

Impact on Jobs/New Businesses:

The Board has determined that this regulatory proposal will have a small impact on the creation of jobs given that it will allow a physician who may not be eligible for a full and unrestricted physician's and surgeon's medical license due to a disability the opportunity to apply for a limited practice license and practice medicine in California.

The Board has determined that this regulatory proposal will not have any impact on the creation of new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business:

The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None

EFFECT ON SMALL BUSINESS

The Board has determined that the proposed regulations would not affect small businesses. The Board does not license businesses, the Board licenses individuals; therefore, there is no impact on small businesses or any business.

CONSIDERATION OF ALTERNATIVES

The Board must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice. Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.
